

COLORS

The Lakeland Terrier comes in a variety of colors, all of which are equally acceptable. Solid colors include blue, black, liver, red, and wheaten. In saddle marked dogs, the saddle covers the back of the neck, back, sides and up the tail. A saddle may be blue, black, liver, or varying shades of grizzle. The remainder of the dog (head, throat, shoulders, and legs) is a wheaten or golden tan. Grizzle is a blend of red or wheaten intermixed in varying proportions with black, blue or liver.
